Ligonier Valley YMCA Financial Assistance Policy and Procedures

The Ligonier Valley YMCA offers quality, affordable programs and services designed to benefit people of all income and backgrounds. The Ligonier Y provides financial assistance as funds are available to individuals and families who otherwise might not be able to participate in YMCA membership or programs. The YMCA's financial assistance program is made possible through contributions to the organization's annual campaign and special events.

All information submitted is considered confidential and will be seen only by staff administering the financial assistance policy. In no way will anyone receiving assistance be identified publicly without their permission.

Please read the application completely and enclose all the information needed to process your request for a reduction of fees. Review the checklist to ensure you have included all the necessary documentation when you return the application to the YMCA. Incomplete applications will not be processed, which may delay your membership or enrollment in the program.

You should expect up to a two week processing period. You will be notified by mail when your financial assistance is awarded.
