

Gifts from generous donors and friends support the YMCA's mission of bringing Christian principles into practice through programs that build healthy spirit, mind and body for all. Donors, like you, care about making a difference in our community. Through generous and thoughtful giving, you provide valuable funding for the YMCA to provide assistance to others and remain a sustainable organization into the future.

As we look ahead to the future, our Y is preparing our organization's unknown needs by continuing to build a permanent, growing endowment. The Y's Endowment is pursuing new contributions from today's forward-thinking friends that will sustain the Y's programs, services, and capital needs and build long-range financial stability for our Y.

Our Endowment Fund will not only represent the legacy of our great community, but this vital source of funds will help underwrite the many programs that build assets and character for future community leaders whether they can afford to participate or not.

**Why not demonstrate your commitment to kids, families, and communities by joining us in building the Y's Endowment?**

Donors who make gifts to our Y's Endowment Fund help us to sustain this valuable community asset into the unknown future. This facet of our fundraising greatly assists us in our planning to continue to serve the needs of our community for years to come.

Planned gifts often enable donors to significantly increase their gift to the Y and at the same time create a lasting legacy. The Ligonier Valley YMCA encourages our donors and friends to consider making a planned gift so your life's work will become a distinguished and meaningful contribution that benefits our community for many years.

**For more information about planned giving and the Endowment Fund, please contact Larry Stormer at 724-238-7580 Ext 10 or [lstormer@ligonierymca.org](mailto:lstormer@ligonierymca.org).**
