LETTER FROM LARRY

Dear Valued Member,

I hope this note finds you doing well and having enjoyed another summer that went too fast. It is hard to believe that our new expansion has been open for over a year already!! What a wonderful addition this has been for the Ligonier Valley YMCA and the communities that we serve. We have set visit records month after month for our YMCA eclipsing 11,000 total visits in March. For us, it is more than the numbers, it is about serving more people and serving you in a better and more comprehensive way. It has truly been an awesome experience to watch our Y grow and impact more and more people in our community. Our collaboration with Excelsa Health has also been very well received placing health care, rehab, and prevention under one roof. Our staff has worked very hard to expand our service area as well as provide new initiatives in order to accommodate you. We want to thank you for your continued support of the Ligonier Valley YMCA as we are both excited about our commitment to service and humbled by your continued support. We have received great feedback from our new building and we sincerely hope that you are enjoying it. We look forward to serving you for many years to come as we continue to work for Youth Development, Healthy Living, and Social Responsibility.

ABOUT THE YMCA

WHO WE ARE:

As one of the nation's leading nonprofit organizations, the Y remains committed to building community through youth development, healthy living, and social responsibility

OUR CAUSE:

At the Y, we work to strengthen community as our cause. Every day, we come together with our neighbors to make sure everyone, regardless of age, income or background, receives an opportunity to learn, grow and thrive.

OUR MISSION:

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OPEN DOORS:

We proudly ensure that the YMCA stays accessible to everyone, and we never wish to turn anyone away for an inability to pay. Please ask about financial assistance for programs or membership – the Y feels happy to help!
